Don't know what to say for my brother and friend. Clueless that he was deceased 8 years ago. We were friends since 1971 through high School and on. I'm shocked to hear that he is deceased. And his brother Wesley. Received in good health. I've been looking for him for years on social media never found anything until now in the obituaries. Rip my brother I wish you had reached out I've had the same phone number for over 20 years. But we never parted ways with the unkind word. And NEVER depart a loved one with the unkind word but always leave with loving and caring words cuz you might not see them again. Secure your destiny with the blood of Christ Jesus. I wish the rest of the family best wishes and I don't know if his mother Caroline is still with us but I wish you the best contact me on Facebook love and prayers Greg Higgins.
