Sherian Loraine Hart

APR 25, 1970 - JAN 5, 2020

SHERIAN LORAINÉ BONAPARTE HART age 49, of Waldorf, Maryland, In the afternoon hours of Sunday, January 5, 2020, Sister Sherian Loraine Hart transitioned home to be with the Lord. Sherian was born on April 25, 1970, in Glendale, Arizona. She was the fourth daughter of Heyward and Barbara Bonaparte. She confessed "Jesus Christ" as her personal savior and was a devoted Christian for many years. Sherian was a faithful member of the "First Baptist Church of Glenarden" under the leadership of Pastor John K. Jenkins.

In November of 1991 she married Michael Antoine Hart and from that union six sons and one daughter were born. Sherian attended public schools in Prince Georges County and graduated in 1988, from Duvall High School. Sherian continued her education by accepting jobs to enhance her skills. She began as a payment center operator at District Cable Vision, Washington DC, a bank teller at Citizens Bank of Maryland, a dispatcher at the Metropolitan Washington National Airport, a cashier at NASA Federal Credit Union, a toll collector at the Bay Bridge and finally a professional at the Motor Vehicle Department in Waldorf, Maryland. She received numerous awards and certificates of training. One of her highlights was when she received her certification as a CDL driver, she was so excited to operate a tractor trailer, because it allowed her to interact with persons she trained.

Sherian kindled lasting relationships wherever she went and was well liked by all who came into contact with her. Sherian's zest for life included a love of the sport "football" where she became a diehard Dallas Cowboy fan. She also enjoyed listening to Gospel Music and attending concerts. She loved her husband and was an exceptional caring mother to her children often times interrupting her schedule to transport her boys to and from football practices and staying to watch a game when time permitted. She was able to take her family to Disney World and satisfy her only daughters (Hydeia) dream thru the "Make a Wish Foundation" only to lose her to Pulmonary Hypertension in 2015 which after she became an advocate for the foundation.
